Alpha (noun): 1) Having the highest rank in a dominance hierarchy 2) The most powerful man in a group3) Liam Black He was a stranger to me, a dark and dangerous presence who materialized from the shadows one rainy night to save me from a vicious attack. I didn't know his name or where he was from. All I knew was that the only place I'd ever felt safe was in his arms. But safety is an illusion. And not every savior is a hero. Liam Carroll's debut novel, Slippery, shines a blowtorch on the fundamental truths of the finance industry and the hedonistic world of the expatriate lifestyle in Southeast Asia. Flynn James, a young man from the Sydney beachside suburb of Manly, previously content to live his life as a physiotherapist and surfer on Australia's east coast, is awakened to the big bonuses on offer in the trading game. He abandons health sciences, embraces the greed is good mantra and manages to flare past thousands of candidates in a Geneva simulation trading day exercise, ushered through the shady doors of a fiercely private Swiss commodities trading company and set on the path to oil trading superstardom.Based in Singapore and Shanghai, Flynn learns the ropes of commodities dealing at breakneck haste. With the arrival of his first seven-figure bonus, the glossy veneer of his overpaid world crumbles, setting the stage for a shattering finale. Much more than another mere exposé on the world of trading, Slippery is an adventure/thriller. It explores the gritty realities of successful commerce in the corporate maelstrom of Southeast Asia, the inevitable moral compass decimation when you place money above all else and is done so with a side-splitting, bitter self-loathing, terminal awareness. You won't be able to put it down.

Let's say you're an independent, self-sufficient woman who runs the family company and you find yourself falling for your little brother's best friend. Now, more than ever, you need to count all the reasons why you need to abandon falling. Abandon Falling #1 - He's a womanizer. Hasn't had a serious relationship a day in his life and changes women more often than he changes his sheets. Abandon Falling #2 - He's never serious. He cracks one-liners, mostly at your expense. Abandon Falling #3 - When things go wrong, he seems unfazed and always remains in control. It's so annoying. Abandon Falling #4 - He has tattoos. Lots of them. Everywhere. Not to mention, he owns a tattoo parlor. (Damn it! Why doesn't that sound like a bad thing anymore?) Abandon Falling #5 - There's a growing list of how different you two are. You can't get along for fifteen minutes—a lifetime together would land one of you in prison. Keep repeating those reasons and drown yourself in work. Trust me, even the strongest of us can only forego temptation for so long.
