Everything Is Obvious: How Common Sense Fails Us - Duncan ...

Everything Is Obvious argues that just as the legal system may have downplayed the role of chance when punishing Gray, common sense reasoning, by focusing on actual outcomes rather than possible outcomes, makes deductions about the world that obscure just how unpredictable complex social interactions can be.

It seems obvious, for example, that people respond to incentives; yet policy makers and managers alike frequently fail to anticipate how people will respond to the incentives they create. Social trends often seem to have been driven by certain influential people; yet marketers have been unable...

If you think the answers to these questions are a matter of common sense, think again. As sociologist and network science pioneer Duncan Watts explains in this provocative book, the explanations that we give for the outcomes that we observe in life-explanations that seem obvious once we know the answer-are less useful than they seem.

TEDxMidAtlantic 2011 - Duncan Watts - The Myth of Common Sense

Everything Is Obvious How Common

In "Everything is Obvious," Watts explores and debunks many of the common myths that affect "commons sense" thinking. He notes the tendency to try to explain a highly successful phenomenon, like the "Harry Potter" books, simply by listing its attributes.

Everything Is Obvious by Duncan Watts: Review

Watts's point is that however well we understand the parts, we do not thereby acquire a complete understanding of the whole. This is one of the big reasons that common sense is unreliable. We are prone to think in terms of individual actors whose doings set predictable chains of events in motion.

TEDxMidAtlantic 2011 - Duncan Watts - The Myth of Common Sense

Everything, in retrospect, is obvious. In the classic 1980s movie Cocktail, young Brian Flanagan (played masterfully by Tom Cruise) shacks up with an older woman who basically becomes his New York City sugar momma. They met at a bar in the Jamaica and it was never going to work out but they made a go of it anyways.
