A Food Safety Supervisor is a person who is trained to recognize and prevent risks associated with food handling in an F&B Services business. He holds an FSS certificate that needs to be no more than five years old. He is required in an F&B Services business so that he can train and supervise other staff about safe practices of handling food.

The food and beverage professionals tirelessly work to intensify customers' experience through their service. The F&B Services providing businesses deliver food and beverages to their customers at a particular location (on-premise) such as hotel, restaurant, or at the customer's intended premises (off-premise).

Food and Beverage Before a food and beverage attendant takes an order from the guest they must have the product knowledge and understanding of the food and beverage menus. They must know the sequence of service, how to prevent and handle complaints and ensure that the guest has had an exceptional dining experience. This comes down to training.
