ODF - MILES NAVARRO

The Acorns app is pretty cool-it helps you make money in a way that is hands-free... Who wouldn't like that? In this article I'll be covering the 3 different ways to make money with Acorns.. Saving your nickels, dimes and pennies is a thing of the past-because, well, coins just aren't even used that much anymore. One of the first steps in building wealth is setting up a safety net. An emergency fund is any money you set aside to cover a short-term loss of income or unexpected expenses, which could include things like a surprise medical bill or car repair.. Having an emergency fund of 3 to 6 months' worth of expenses saved, which is what I target, ensures you can cover these costs stress free.

Acorns are designed to fall out of their caps and so we decided that sticking them into their caps was the best way to keep them from falling off our garland. Once the acorns were separated from their caps, I drilled a hole through each acorn. Then, Mr T worked out the puzzle of which acorn fitted into which cap and we hot glued them together.
