Fun with string. Xavier challenges one of his friend to perform some crazy string functions by giving him some words and each word basically denotes a type of string function which his friend has to perform.

The DIY String Projects are simple enough for everyone to try at home, even your little ones and the results are quite lovely. Christmas decorations will soon appear on shelves in multiple sizes, shapes, colors and consumerism will put its tow on things again but this year we at Homesthetics have decided to give rope and string projects a chance and make our own decorations.

In this challenge, you will determine whether a string is funny or not. To determine whether a string is funny, create a copy of the string in reverse e.g. .Iterating through each string, compare the absolute difference in the ascii values of the characters at positions 0 and 1, 1 and 2 and so on to the end. If the list of absolute differences is the same for both strings, they are funny.
