One of the great privileges we have as Christians is finding favor from the Lord. Yet our understanding of "favor" can be off. We are sometimes told it's all about us--that God gave us that house, that car, that job so we can have all we need. But his provision doesn't stop with us. In this fascinating, empowering book, Gary Wilkerson, pastor and president of World Challenge, paints a bigger, brighter, and more biblical picture of what God's favor is. He

shows how our loving Father showers his abundant resources upon us--things like forgiveness, restoration, peace, joy, power, and authority--not only to bless us with a favored, happy life, but for us to joyfully demonstrate this favor to others, whether they are friends, family, or strangers on the street. Because God's favor is not meant to end with us--it is meant to show the beauty of his unearned grace to a hurting, unbelieving world.

The Bible is God's message to mankind and it explains a lot. You just need to know where to look for the answers you seek. I've had the same questions you've had and maybe more. I found the answers in the Bible and have written them in this book. Do you want to know why God created Hell? How to assure your place in Heaven? Why the world is in such a mess? Who really rules the earth? Why we get sick? Why God hasn't answered your prayers? Why, if there is only one God, does the Bible talk about a trinity? Is Jesus really God? These questions and many more have answers, and I think if you read this book you will find a whole new insight into what the Bible really reveals. Don't let your unanswered questions lead you down the wrong path! God wants you to know the truth, that's why he inspired people throughout the ages to write the Bible. Don't let its size or other people's uninformed opinions keep you from knowing what God wants you to know. This book will give you a fresh look at what is really in the Bible and inspire you to build your personal faith based on the truth that is revealed in Scripture. If you are already a faithful Christian but are frustrated by not being able to answer the questions from unbelievers, this is the book for you. If you are an unbeliever but are curious about what Christianity is about, this is the book for you. Don't let preconceived beliefs keep you from learn-

ing true Biblical knowledge. God wants you to know what He revealed in His book. My book will help you to see some of the most important facts that God reveals to us through the Scriptures.

Founder and Global Senior Pastor of Hillsong Church and author of LIVE LOVE LEAD shows how, with God's power, you can believe and achieve a life that exceeds every earthly expectation. By building our lives around godly principles, surrounding ourselves with wisdom, and living for a cause greater than ourselves, we can effectively live out God's purposes and have an enduring impact. As Brian Houston has personally discovered, when we depend on Jesus as the source for our identity, our lives can be a lasting legacy that maximize the gifts He has given each of us as unique individuals. There is More is for anyone who wants to be challenged to live with expectancy. Ephesians 3 is a call to release the immeasurable potential within you and the exceeding, abundant, and above plans and purposes of a Holy God that are beyond your greatest imagination. "Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen" (Ephesians 3:20-21).

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

A gospel of hope, inclusion, and defiance If God gets everything God wants, and if what God wants is you, can anything stand in God's way? Too many Christians have been taught that essential parts of who they are--their gender, their sexual orientation, their politics, their skepticism--prevent God from loving them fully. For these, church has been a painful experience of exclusion, despite the reality that Jesus was the embodiment of God's radical inclu-

sion. Katie Hays invites weary Christians, former Christians, and the Christ-curious to take another look at God through the testimony of our biblical ancestors and to reimagine the church as a community of "beautiful, broken, and burdened" people doing their best to grow into their baptisms together. Hays insists that yes, God does get everything God wants, and--even better--we're invited to want what God wants, too, and want it "more and more and more, until life feels abundant and eternal and delicious and drunken with possibility." This is a message of stouthearted faith anchored in wonder--not false certainty. Atheists are welcome. Those who feel uneasy inside a church are welcome. Those still angry at other Christians are welcome. Because no matter what we've experienced, the God who still adores this world is the God of hope, inclusion, and defiance of the powers that be. And for those who are willing to collaborate in "the painstaking work of examining our Christian faith and sorting it out--the good stuff from the harmful stuff, the stuff with integrity from the stuff we simply inherited from family or church or . . . the cultural air we're breathing"--there await life-giving possibilities found nowhere else.

"Inviting, accessible and personal. . . . A reminder of an overlooked truth: faith leads to joy." —James Martin, SJ, author of *The Jesuit Guide to (Almost) Everything* Fox News analyst Father Jonathan Morris challenges the wisdom espoused by New Age self-help experts with the time-tested counsel found in the Bible. Readers who may have sought solace in popular self-help books like Eckart Tolle's *A New Earth*, Rhonda Byrne's *The Secret*, or Deepak Chopra's *The Seven Spiritual Laws of Success* will be enthralled by Morris's moving argument about the enduring spiritual succor awaiting in Scripture.

What if we were wired for happiness? If you were to ask a room full of people about how God wants us to live, you'd likely get a wide range of answers. Some people would say he wants us to be

holy. Others might claim he wants us to love people and stand up for peace and justice. But chances are, you wouldn't hear anyone say, "God wants us to be happy." We all want to be happy, but we may feel guilty for this longing. Isn't it selfish to pursue happiness? Isn't it more spiritual to frown than to smile? In a world full of brokenness, is happiness a worthy pursuit? For those seeking to follow Jesus, should this quest be written off as superficial and unspiritual? In *Does God Want Us to Be Happy?*, New York Times bestselling author Randy Alcorn offers a collection of short, easy readings on one of life's biggest questions. As he explores what happiness is and how we attain it, Alcorn provides wisdom, insight, and scriptural proof that God not only wants us to be happy—he commands it! (Adapted from the trade book *Happiness*.)

Your subconscious makes 95% of your decisions. If you deep down believe the LIE that it is spiritual to be poor, then your subconscious will sabotage your life and your finances to keep you spiritual (poor according to your belief system). There is only one thing that can free you from the bondage of a lie, THE TRUTH SHALL SET YOU FREE!!! The truth will set free this generation. This will be the generation of Christians who get the wealth that was laid up for them. God will take pleasure in the prosperity of his children (psalms 35). God wants you to have an abundance that you can give out off for every good work (II Corinthians 9). God wants you blessed so you can be a blessing.

Would you like to have a closer relationship with God? Would you like to have a positive lasting impact on the people around you? Have you ever thought you weren't good enough to be used by God? God wants a relationship with you, and He wants to reach

others through you. Many people wander around aimlessly trying to figure out what their big mission in life is when God wants to use them right where they are in the little things. If you will listen and obey in the little things, He will lead you into bigger things. In *God Wants You!*, Tori Self shares the importance of knowing God and explains, with supporting scripture, what having a relationship with God is like. In this book, the intent is to help you: - Understand you are important to God - Connect with Him and let Him use you where you are - Be aware of the opportunities He gives you - Be bold and Take Action It is not just the preacher, pastor, teacher, evangelist that God is using to reach others. God uses the willing and obedient right where they are. He wants to use you as you go about your daily life. God has a specific purpose for you that only you can fill. If you don't step into all that God has for you, not only are you missing out on His blessings, but others are also missing out as well. Connect with God through action and be truly blessed.

Are You in Debt, Broke, or Financially Stuck? Rest Assured that this Is NOT God's Will for You. But before you can prosper God's way, you must have clarity as to why you should and believe that you can prosper. The sad truth is, most believers don't prosper because, ironically, they just don't believe it is God's will for them. In *5 Reasons God Wants YOU to Prosper*, author Sebastien Richard urges you to reconsider God's will for your prosperity through irrefutable scriptural truths. He also confronts head-on the spirit of poverty and the lies of the Enemy that keep you financially stuck and defeated. Through personal experience, insight, and revelation, Richard shows... How being fully alive affects your finances. What God's definition of a good man is. How your pros-

perity contributes to God's Kingdom. How to identify and forsake the spirit of poverty, and so much more! Hundreds of books teach believers how to prosper, but before you learn how to prosper, you must first identify, confront, and forsake the false money-related beliefs that are keeping you bound. This is your starting point of embracing God's plans to prosper you (Jeremiah 29:11). *5 Reasons God Wants YOU to Prosper* also includes an exhaustive compilation of biblical financial promises for you to read, pray with, and decree out loud!

Broken. Blessed. How can those two words possibly go together? Considering just how shattering life's blows can be, can we honestly believe God will bring good out of our most heartbreaking crises? "It's difficult to discern the blessing in the midst of brokenness," says Dr. Charles Stanley. "Certain circumstances in life hurt, at times so intensely that we think we will never heal." The catalysts for brokenness all possess a wrenching pain and the power to forever alter our life. But they also possess one thing more: the potential for discovering a richness in living we otherwise never would know. Perhaps you've already experienced circumstances so shattering you may wonder today whether it's even possible to pick up the pieces. And maybe you can't. But God can. "After brokenness, we can experience God's greatest blessings." In *Finding God's Blessings in Brokenness*, Dr. Stanley will carry you through the hard times and show you how God's glory is consistent throughout and always available. A gentle, encouraging way to explore God's purpose and power as only expe-

rienced through the darkest times of life, this book will encourage you as you journey through the dry seasons. Health is something everyone wants. Billions of dollars are spent each year trying to retain or restore health. It is a basic desire of all mankind. Anyone who likes sickness must be mentally sick! Yet, religion has told us that God is the one who wants us sick. It even tries to make us believe that sickness is a blessing. That's just not true. God wants you well. Healing is in Christ's Atonement. Jesus died for our health just as much as He died for the forgiveness of our sins. This has to be the foundation of our faith for healing. Many Scriptures relate the healing of our bodies and the forgiveness of our sins in the same verse. Jesus went about healing all who were oppressed of the devil and told us to do the same. Jesus hasn't changed, it's the people who represent Him who have changed. What about Paul's thorn in the flesh? It is commonly believed that the apostle Paul had a sickness for which he besought the Lord for healing three times, and the Lord wouldn't heal him. From that assumption, people teach that God sometimes wants us sick. In this book, Andrew reveals what Paul's thorn in the flesh was, and it wasn't sickness. If it is God's will to heal everyone, then why isn't everyone healed? It's not because of God. And it's not just because we don't have enough faith. We

do have the faith to be healed. Jesus said the problem is our unbelief - unbelief cancels out faith. Instead of trying to get more faith or bigger faith, we just need a pure faith that isn't negated by unbelief. There are laws that govern the spiritual world just as there are laws that govern the physical realm. Electricity has been around since the beginning of the world, but mankind didn't benefit from electricity until recently, not because it didn't work, but because of our ignorance of the laws of electricity. Likewise, God's healing is here and available. It's only our ignorance of the laws which control the flow of God's power that keeps us from benefiting from it.

You are NOT who you think you are. In fact, according to best-selling author Craig Groeschel in *Altar Ego*, you need to take your idea of your own identity, lay it down on the altar, and sacrifice it. Give it to God. Offer it up. Why? Because you are who GOD says you are. And until you've sacrificed your broken concept of your identity, you won't become who you are meant to be. When we place our false labels and self-deception on the altar of God's truth, we discover who we really are as his sons and daughters. Instead of an outward-driven, approval-based ego, we learn to live with an "altar" ego, God's vision of who we are becoming. Discover how to trade in your broken ego and unleash your altar ego to become a living sacrifice. Once we know our true identity and are growing in our Christ-like character, then we can behave accordingly, with bold behavior, bold prayers, bold words, and bold

obedience. *Altar Ego* reveals who God says you are, and then calls you to live up to it.
