In September 2014, Honda's cumulative worldwide motorcycle production reached the 300 million-unit milestone. Making motorcycles with the basic goal of bringing joy and satisfaction to people serves as the starting point of Honda. Honda will continue offering products which fulfill the needs of its customers around the world.

The Honda Logo and Usage Guidelines The Honda logos are symbols of the Company's principle and philosophy in a condensed form. They have been built on the core concept of the Honda brand identity: "new value creation," without sacrificing the positive qualities of the former logo.

This fictional style guide is as meticulous as any real deal, it explains and deconstructs its' primary logo, signatures and sub-brand logos in an informative and explanatory way. Topped off with a simple but beautiful design, this style guide provides an amazing template for a successful set of brand guidelines. Have a peruse of it via Issuu.
