Welcome to Merriam-Webster Kids! Fall 2021 marks the debut of our new imprint that serves our mission to help kids better understand and communicate with the world around them through highly engaging content designed to foster a love of language and learning from an early age. Our list is small, yet focused; over time you will see it build across all categories and ages that serve ages 0-12 and the families, teachers, and librarians that support them. Merriam-Webster is storming the category with a 150 first word board book experience grounded in the principles of child development. The interactive experience encourages toddlers' language learning through the repetition of simple words and phrases, using tried-and-true authoritative language technique, written by a speech-language pathologist. While most first words books list nouns, our book naturally weaves 150 words around everyday illustrations readers will recognize from their own daily routines. Along the border of each spread, we've included photographs of every illustrated item to encourage an additional search-and-find opportunity for parents and their babies. Hosted by nine ethnically-diverse babies, it's a search-and-find experience that will delight parents and caregivers. Give toddlers the gift of language with words and short phrases to say all day long, ages 6-18 months. This engaging large-format board book encourages toddlers' language learning through the repetition of simple words and one-, two-, and three-word phrases for everyday objects and activities. Under speech development expert Claire Davis's sure hand, dressing, mealtime, playtime, bath time, and all the other routines of the day become opportunities for babies to learn new words and phrases. Author and speech-language pathologist Claire Davis uses tried-and-true, authoritative language based on the principles of child development. In a brief introduction, Davis coaches parents and other caregivers in her proven methods for getting babies talking. Features nine babies of different ethnic backgrounds and settings from around the world. Each spread includes photographs of babies and everyday objects alongside illustrated scenes showing them in action-creating a matching game on every page to allow more time for par-

ents and babies to connect. From the largest team of dictionary editors and writers in America, and one of the largest in the world, thank-you for supporting us and Merriam-Webster Kids.

Spend the day with a busy baby and her two dads, and learn the words for things you do and see along the way! This innovative first-words book features labels for objects, actions and sound effects, as well as a fun seek-and-find element.

Offers photographic illustrations with simple word labels and questions intended to help young readers learn basic vocabulary.

This stunning new picture-and-word book features dozens of beautiful full-page photographs, each showing a collection of objects in a single category, such as sports, animals, clothing, and music. On every spread, children can play hide-and-seek, searching the main picture for specific objects that are named and pictured at the side. Along the way, they'll learn lots of new words and have fun discovering the surprises hidden in the pictures.

From 'boat' and 'car' to 'apple' and 'banana' this book provides the youngest readers with the fundamental first words that will form the foundation of their vocabulary. Babies and toddlers will love the brightly colored images on every page, and the board book format is the perfect size for little hands to hold.

Simple text challenges the reader to find children hidden in photographs.

"Hide and Seek was a page turner that had me hooked from the first word. Paul Brown's book has a feeling of suspense on every page with an ending I never saw coming." "Hide and Seek will keep you on the edge of your seat until the climatic end. Paul Brown is a must read author for every mystery, thriller, or suspense fan." "This book will keep you up late into the night until you discover who Celo is and why is he playing this game. The answer will surprise and amaze you." Trudi LoPreto, Readers Favorite An unforeseen school reunion sparked by the death of a childhood friend quickly turns into a living nightmare for Peter Stevenson. Waking the day after, he finds his friends missing, his possessions gone, and himself placed at the centre of a game of hide and seek. As the day unfolds, Peter is forced to relive his past to ensure that his friends have a future. And as the cruel challenge against the clock unfolds, he is forced to come to terms with the fact that one of his closest friends could be the mastermind behind the sinister game of life and death.

The Little Hide and Seek series encourages a life-long love of reading and is guaranteed to capture a child's interest while developing reading skills and general knowledge. Hunt for first words with your toddler in Little Hide and Seek: Words. Your child will want to return to this eBook again and again as they try to spot all the different words from around the home and outdoors. With five themed hide-and-seek scenes and a teddy hiding in each one, your toddler will love learning about first words. Look, learn, and play together. For Kobo Vox Only

Presents a picture book showing collections of objects in such categories as animals, toys, and clothing, that young readers can search to discover and learn new words.

Roger Priddy's Big Board First 100 Words is a perfect children's book offering simple everyday words for infants and toddlers to develop their vocabulary. Featuring 100 beautiful color photographs, this tough board book introduces words and phrases of animals, toys, vehicles, and items used for mealtimes, bathtimes, and bedtimes that are ideal for children aged 2 and up to learn how to read and identify objects.

Contains twenty-five books about a variety of subjects that encourage beginning readers.

It's a first picture book perfect for toddlers, and the perfect gift for that stylish baby shower! Toddlers don't want lessons—they need stories. Toddler-aged Bobby's breakfast-to-bedtime story provides words for things, actions, and feelings younger children know about, but may not be able to name—from meals to playtime to a final reassuring goodnight kiss. Printed cloth tabs signal the start of each section—and add special value and gift-appeal. Charming, smart, and un-lessony, this is a great mix of classic board book style combined with keen insight into what resonates with toddlers at this key stage of their development. Retro-chic illustrations and design make this WORLD a great addition to homes, nursery, and preschool bookshelves.

An interactive concept book about positional prepositions that's loads of fun! Bear, Fox and Owl are playing hide-and-peek! They take turns counting to ten, then shouting "Ready or not, here I come!" When Fox finds Bear INSIDE the castle and Owl ON the slide, Bear hugs them both. When Owl spots Bear BEHIND the climbing wall and Fox UNDER the bench, Bear hugs them again! But when Fox and Owl are not BETWEEN the swings, AMONG the trees or THROUGH the tunnel, Bear is the one who needs a hug. Will Fox and Owl help their friend? BESIDE, IN, OVER and beyond! Kids will love finding so many new places!

Moffie and Morgie want to play hide-and-peek with their friends at recess. But no one can agree on the rules! Will they ever get to play? Find out in this silly Level 2 reader.

"Gajda's chronicle reveals an enduring tension between principles of free speech and respect for individuals' private lives. ...just the sort of road map we could use right now."—The Atlantic "Wry and fascinating...Gajda is a nimble storyteller [and] an insightful guide to a rich and textured history that gets easily caricatured, especially when a culture war is raging."—The New York Times An urgent book for today's privacy wars, and essential reading on how the courts have—for centuries—often protected privileged men's rights at the cost of everyone else's. Should everyone have privacy in their personal lives? Can privacy exist in a public place? Is there a right to be left alone even in the United States? You may be startled to realize that the original framers were sensitive to the importance of privacy interests relating to sexuality and intimate life, but mostly just for powerful and privileged (and usually white) men. The battle between an individual's right to privacy and the public's right to know has been fought for centuries. The founders demanded privacy for all the wrong press-quashing reasons. Supreme Court justice Louis Brandeis famously promoted First Amendment freedoms but argued strongly for privacy too; and presidents from Thomas Jefferson through Donald Trump confidently hid behind privacy despite intense public interest in their lives. Today privacy seems simultaneously under siege and surging. And that's doubly dangerous, as legal expert Amy Gajda argues. Too little privacy leaves ordinary people vulnerable to those who deal in and publish soul-crushing secrets. Too much means the famous and infamous can cloak themselves in secrecy and dodge accountability. Seek and Hide carries us from the very start, when privacy concepts first entered American law and society, to now, when the law allows a Silicon Valley titan to destroy a media site like Gawker out of spite. Muckraker

Upton Sinclair, like Nellie Bly before him, pushed the envelope of privacy and propriety and then became a privacy advocate when journalists used the same techniques against him. By the early 2000s we were on our way to today's full-blown crisis in the digital age, worrying that smartphones, webcams, basement publishers, and the forever internet had erased the right to privacy completely.

With colorful photographs of adorable babies and animals playing a game of peekaboo, this rhyming board book also features a mirror perfect to look in while saying "Peekaboo"! Baby's first-hide-and-peek board book has irresistible opportunities for parents, caregivers, and babies to play peekaboo together. Every sturdy page pairs simple, repetitive, and rhyming say-aloud words with bright photos of babies and animals, which encourages listening and speaking skills.

'Elizabeth Taylor is finally being recognised as an important British author: an author of great subtlety, great compassion and great depth. As a reader, I have found huge pleasure in returning to Taylor's novels and short stories many times over. As a writer I've returned to her too - in awe of her achievements, and trying to work out how she does it' Sarah Waters An intelligent, haunting love story, with echoes of Brief Encounter, by one of the best British writers of the 20th century. During summer games of hide and seek Harriet falls in love with Vesey and his elusive, teasing ways. When he goes to Oxford she cherishes his photograph and waits for the letter that never comes. Years pass, and Harriet stifles her imaginings; with a husband and daughter, she excels at respectability. But then Vesey reappears and her marriage seems to melt away. Harriet is older, it is much too late, but she is still in love with him.

This Little Grasshopper Book introduces early learners to 501 words related to the alphabet, numbers one through ten, colors, shapes, life on the go, various stores that can be found around town, life on the farm, and bedtime. Bright, clear photography isolates specific items and places to help toddlers identify and name basic objects. Each picture is labeled to help beginning readers associate printed and spoken words. For an extra layer of interactive learning and fun, the book is paired with digital content. Parents can download the Little Grasshopper Library app to smartphone or tablet, iPhone or Android, and then access the app content for this book. In the app, the child sees a flashcard for each object, sees and hears the name of the object, and can play a fun sound effect. Interactive learning games based on the book's content add to the fun. Padded hardcover, 160 pages

Young readers can help Pocoyo determine different objects, including an apple, radio, telephone, and camera. On board pages. Play hide-and-peek with Instagram's favorite border collie, hiding in every page of this New York Times best-selling book of beautiful landscape photography. Momo and his best buddy Andrew Knapp travel all over—through fields, down country roads, across cities, and into yards, neighborhoods, and spaces of all sorts. The result is a book of spectacular photography that's also a game for kids or adults of all ages. Perfect for fans of coffee table books, a must-have for kids on a long car trip, and a great dog lover gift.

Packed with fun illustrations and 100 words every prodigy should know, 100 First Words for Little Artists is the perfect board book for artistic families everywhere.

When their dog goes missing, Cy and Poppy play hide and seek to distract themselves. Poppy counts to ten and looks for Cy - but she can't find him anywhere. But then there's a rustling from the woods - maybe someone else can help her find him...? A reassuring tale of sibling love by the master Anthony Browne.
