ICT Past Papers - ICT Classes

The Information Communication Technology syllabus combines theoretical and practical studies focusing on the ability to use common software applications, including word processors, spreadsheets, databases, interactive presentation software, e-mail, web browsers and website design.

Cambridge IGCSE Information & Communication Technology (0417)

The problem with the IGCSE ICT is that, for the 2014, there are only three past papers and one exemplar paper, so this method is of limited use. If you're a teacher, preparing for the long term, start keeping track of questions now. If you're a student, then you're out of luck.
