The Jews can be whatever their enemies need them to be. For Henry Ford and more than a few on the

modern left, the Jews are the international bankers secretly pulling the strings of the global ...

Why the Left Hates Jews | National Review

(It is interesting that, if my top ten is a fair selection, more than half of the leading names in left-alternative media are Jewish, even though Jews are only 2% of the US population. And given the importance of the three "stars" Goodman, Chomsky, and Franken, one could argue that the actual influence of Jews in the left alternative media is even greater than numbers alone would suggest.)

Are Elite Jews Responsible for COVID-NWO? - Veterans Today ...

Jews should, according to the idea that IQ leads to representation in positions of power, should be 5% or so of millionaires (3 million Jews / 60 million gentiles at 115+). But this is not the case. Jews make up a disproportionate number of millionaires and bil-

lionaires (40% according to Forbes) according to the IQ theory Jordan B. Peterson is utilizing.

On the so-called "Jewish Question" | Jordan Peterson

This answer fell out of fashion, at least in polite society, after World War II. Since the 1990s, however, the conspiratorial account of Jewish prominence has taken on a new, more meretricious form in the work of (now retired) California State University, Long Beach psychologist Kevin MacDonal, known affectionately among alt-righters as ...
