### **Made in Italy 2.0.2.0. Made In Italy | Mar-shalls**

London will host, on 9th March, the event "Made in Italy 2.0.2.0." organised by iStarter, a London-based accelerator targeting Italian start-ups.

The initiative is designed to help some Italian start-ups with large growth potential to scale up, assisting them with the search of the necessary investments in a dynamic venture capital market.

Made in Italy 2.0.2.0 has grown from a single event in London to a one-of-a-kind community and series of events organized all around the world. We throw smaller gatherings from London to our World Tour in NYC and China.
