Medicare Part A (Hospital Insurance) covers Skilled nursing care provided in a SNF in certain conditions for a limited time (on a short-term basis) if all of these conditions are met: You have Part A and have days left in your Benefit period to use. You have a Qualifying hospital stay. Your doctor has decided that you need daily skilled care.

SNF Care Coverage - medicare.gov

If the patient requires nursing and/or rehabilitation therapy, the patient may receive needed services for up to 100 days using the Medicare Part A benefit. Of the 100 days, the first 20 days are paid at 100% and the remaining 80 days at 80%. Medicare 101.C-Qualifying the Patient

Medicare 101: Know your documentation - I Advance Senior Care

Medicare charting is necessary for confirmation of the services needed for the continuation of skilled care. Nursing staff must

chart on Medicare A residents once every 24 hours. Most facilities divide that charting between day and evening shift.

Long-term Care Nursing: Admission and Medicare Documentation

We do daily charting on Medicare. Hall A is done by dayshift, Hall B by PM's. They rotate halls every week. Vitals are done daily. Every shift does charting plus vitals if the pt is on an antibiotic, had an incident, etc. With the daily Medicare charting we get more details than if the nurses are trying to chart on 26 residents every shift.
