Praise for Lockdown "Schreiber . . . was a great choice for this novel, imbuing the story with a dark, foreboding tone while never quite stepping into the horror territories that Death Troopers and Red Harvest took us."—Jedi News "Fans of the dark side should rejoice. Lockdown delivers a can't-put-this-down tale of scum and villainy."—Club Jade "[Lockdown is] an action-packed ride that spins one entertaining chapter after another. The multiple layers of story keeps readers guessing what will happen next and just who will live and who will die. . . . It certainly adds to the character of Darth Maul while matching [Darth] Plagueis's complexity with sheer fun. . . . Five out of five metal bikinis."—Rogoo Depot "Somehow, Schreiber is able to skate the line between hard-hitting prison story and the adventure and excitement I love from Star Wars in a way that doesn't betray either genre. It's really quite masterful."—Big Shiny Robot "Lockdown is an exciting, engaging read. . . . It actually lines up beautifully for a sequel, which I, for one, would love to read."—Coffee with Kenobi "The novel makes The Clone Wars better. It also illuminates The Phantom Menace. I think it's the hallmark of the best tie-in fiction to resonate throughout other parts of the expanded universe in that way."—Knights' Archive "By the fiftieth page, I was hooked. . . . Lockdown is a wonderful 'antihero' novel, where it's just fine to root for the villain, because there are even worse things out there. This book was so fun and entertaining. I'll have to keep an eye out for more Star Wars books from Schreiber."—Seattle Geekly The Clone Wars have exploded across the galaxy as Republic forces and Separatists struggle to gain the upper hand.
