### 081 - EMELY JAIDA

The great moment of the nation, Michelet insisted in his History of the French Revolution (1847-53), was the early years of that eruption. This was the memory that must always be kept alive, for in those years every Frenchman and woman had known that they belonged to a single community, and had lived, thought, and acted as one.

Michelet was the son of a modest printer who managed to give Jules an education. A brilliant student, Michelet at 29 was teaching history and philosophy at the École Normale Supérieure. He had already published textbooks and a translation (1827) of Giambattista Vico's *Scienza nuova* ("New Science"). The July Revolution (1830) confirmed Vico's influence on Michelet in stressing man's ...

MICHELET, JULES (1798-1874) A prolific historian who viewed the Great French Revolution of 1789 as a product of the misery of the masses and who was recognized in the twentieth century as a forerunner of the Annales school of French historical scholarship. Born the son of a printer August 21, 1798 in Paris, he lived his early life in intermittent poverty.

The French historian Jules Michelet (1798-1874) wrote the "Histoire de France" and "Histoire de la Révolution française," which established him as one of France's greatest 19th-century historians. Jules Michelet was born on Aug. 21, 1798, in Paris. His father was a printer by trade, and his mother's family was from peasant stock. The family was poor ...

Abstract. Jules Michelet (1798-1874) regarded himself as one of "the people" he glorified. His History of France (1833-43; 1855-67) portrayed the development of the French people, most tellingly in his pictures of medieval France and his justly famous treatment of Joan of Arc. His Historical View of the French Revolution (1847-53), made the Revolution—personified or represented ...
