The Chinese Grammar Wiki began in 2012 as a modest website with a bold vision: to

record all of the grammar structures in the Chinese language, categorize them by difficulty level, explain each one in clear, jargon-free English, and link them all together. Initially the wiki was a resource exclusively for the clients of AllSet Learning's Shanghai-based learning consultancy. But five years later, its popularity among learners has exploded, and the Chinese Grammar Wiki has become the #1 online resource for Chinese grammar among independent learners and college students alike. This book is the third major volume, covering all essential grammar points that an upper intermediate (B2) learner needs to master. Together with the Elementary and Intermediate volumes, the series comprises the most complete single resource on Chinese grammar in print. This volume features:- 160 Upper Intermediate (B2) grammar points- 200+ separate grammar structures- 1,700+ examples (with pinyin and English translation)- Extensive interlinking of similar grammar points- Bilingual glossary of grammar terms- Learner-centric design

This collection of essays explores the literary and cinematic implications of trans-

lating Austen's prose into film. Contributors raise questions of how prose fiction and cinema differ, of how mass commercial audiences require changes to script and character, and of how continually remade films evoke memories of earlier productions. The essays represent widely divergent perspectives, from literary 'purists' suspicious of filmic renderings of Austen to film-makers who see the text as a stimulus for producing exceptional cinema. This comprehensive study will be of interest to students and teachers alike.

Information-rich topics and texts immerse adult learners in themes and issues from around the world so that English is more relevant.

correct sentence. This updated third edition of Grammar Smart helps you:

- Learn the nuts and bolts of grammar rules and usage
- Practice your grammar skills with a series of quizzes
- Master how to write and speak more effectively

Inside the book, you'll find:

- In-depth reviews of the basic parts of speech
- Tips on how to avoid misplaced modifiers and dangling participles
- A glossary of key grammar terms
- Quick quizzes throughout the book to help you check your progress
- Detailed sentence diagrams to help you identify word classes
- Comprehensive summaries of each major grammar topic

Television and film, not libraries or scholarship, have made Charles Dickens the most important unread novelist in English. It is not merely that millions of people feel comfortable deploying the word 'Dickensian' to describe their own and others' lives, but that many more people who have never read Dickens know what Dickensian

means. They know about Dickens because they have access to over a century of adaptations for the big and small screen. Dickens on Screen, including an exhaustive filmography, is an invaluable resource for students and scholars alike.

Enterprise 1 and Enterprise 2 each consist of four modules and are designed for learners of English at early-secondary level.
