Welcome to the Fairytale Shifter series... where growly alphas find their mates and heroines have babies galore! This bundle includes all of our shifter books with a BRAND NEW STORY in the back! Revisit your old favorites and discover our newest addition to the family. Finn, Flint, and Forest have spent their lives looking for their mate. The three brothers have been through everything together, and seeing the rest of their family pair off has been hard to watch. But one day, deep in the woods, a small bunny crosses their path when the three of them are in wolf form. To their surprise, they finally find what they've been looking for, but it just so happens they all find it at once. Luna Hare lost her family long ago, and she's been traveling to different shifter villages, trying to find one that is the right fit. Secretly she's been hoping to meet another bunny family and possibly find her mate. She never expected that when she'd come to Gray Ridge, she'd not only find a mate, she would find three. Three enormous wolves that look hungry, and not for food. Warning: Bunnies like to make babies, so it's a good thing she's got three wolves lined up and waiting to take a turn. This shifter book is over-the-top sweet, and just as dirty as the rest. Come back to Colorado with us, and let's see how this works out. We have a feeling it's going to be a happily ever after.

Off-limits. The bold warning that blared like sirens around me at the indecent attraction for my roommate's father. It was improper and forbidden. I was hungry for attention. Determined. And he was an appetite that needed to be fulfilled. I told myself just once, but now that I've gotten a taste, there's no turning back now. She made a mistake taunting me. Thinking she could handle a man like myself. I shouldn't have allowed her so close. A stronger man would have denied her. But I'm a bad bad man. And if I had any willpower of staying away from this illicit attraction... it's gone now.

There's nothing more romantic than Valentine's Day... except Sylvia Day. Now in one deluxe box set, the first four novels in the Crossfire series. The #1 New York Times bestselling author. The #1 worldwide phenomenon. Bared to You He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... Reflected in You Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire... mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul inside so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

The #1 New York Times bestseller—a thrilling and seductive Cinderella love story from E L James, author of the phenomenal bestselling Fifty Shades Trilogy. Clasp her plait at the base of her neck, I tug lightly, bringing her lips up to mine. "Alessia," I breathe, and kiss her again, softly, slowly. She stills in my arms, then brings her hands up to clutch my biceps, closing her eyes as she accepts me. I deepen the kiss, my tongue teasing her lips, and she opens her mouth. She tastes of warmth and grace and sweet seduction. London, present day. Life has always been easy for Maxim Trevelyan, the "spare" to the earldom of Trevethick. With his good looks, aristocratic connections, and money, he's never had to work, and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's title, wealth, and estates, and the responsibility that entails. It's a role he's not prepared for and one he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently joined his staff. Reticent, beautiful, and musically gifted, she's an alluring mystery, possessing little more than a dangerous and troublesome past. As Maxim's longing for her deepens into a passion he's never experienced and dares not name, he's left to wonder just who is Alessia Demachi? And can he protect her from the malevolence that threatens her? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Albanian Balkans, The Mister combines the sensuality of a modern Regency romance with the danger, desire, and adventure of E L James's captivating storytelling, leaving the reader breathless to the very last page.

#1 New York Times Bestselling Author Sylvia Day, America's premier author of provocative fiction delivers the dramatic finale to a series set within the inner circle of glamour, sex and privilege. Now an original movie from PassionFlix. When it came to playing games, my lover Jax was a master strategist. He pulled strings behind the closed doors of D.C.'s most powerful political players, and somehow still found time to nearly sideline my career. What he didn't know was that when I didn't like the rules, I threw them out and made my own. I wasn't going to let Jax get away with it. I wasn't going to let him get away at all. I loved Jax enough that it was impossible to give up. Jax loved me enough that giving up was the only end he'd consider. He didn't think I could swim with the sharks. It was entirely my pleasure to show him that I'd already dived in...

Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground—but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." - an excerpt

Faking it never felt so good in this red-hot new standalone by New York Times bestselling author K. Bromberg. Zane Phillips mistook me for his dog walker. It shouldn't surprise me that the man with a suit more expensive than my rent would assume that I was there to serve him. The positive? I put him in his place. The negative? I missed my job interview because of it. Now I find out he's a rich Australian entrepreneur, and he wants to make up for tanking my interview. Yes, he's impossibly hot - but he's also an arrogant jackass—so . . . no thanks. But after a little white lie I tell spirals out of control, I'm somehow offered the chance to play Zane's girlfriend to help promote his new dating website - and the best part? He can't say no because he'll get caught in his lie too. Little did I know this would entail sharing a tour bus with him for the next few months. The fact that the bus has just one bed isn't the most ideal of circumstances, but this spokesperson gig might be the kick in the pants my career needs, so why not take a chance? Famous last words. Now I'm crisscrossing the country—and sharing that bed—with the one guy I can't stand. And even worse, my traitorous body is wondering at every turn what it's like to be down under the gorgeous Australian. But as the miles unfurl, so does our passion...and if I'm not careful, I might end up believing that fairytales really do come true. Brenna There are some people in life who know exactly how to push your buttons. For me, it's Rye Peterson. We can't spend more than ten minutes together before we're at each other's throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn't help that the man is gorgeous, funny, talented, and...never takes anything seriously. Avoidance is key. But everything changes when he overhears something he shouldn't: a confession made in a moment of weakness. Now the man I've tried so hard to ignore is offering me the greatest temptation of all—him. Rye Brenna James is the one. The one I can't have. The one I can't get out of my mind. Believe me, I've tried; the woman loathes me. I managed well enough—until I heard her say she's as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual satisfaction with nothing deeper. But the moment I have her, she becomes my world. I've never given her a good reason to trust me before. Now, I've got to show Brenna that we're so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best.

But when I found myself stranded here with no place to go, he came to my rescue, offering me a place to stay. He's smart, successful, and sexy as hell-I can barely sleep knowing he's right down the hall. And when the chemistry between us explodes one night with fierce, fiery passion, it's hard to deny there's something real there. But he does. He says he was drunk. He says it was a one-time thing. He says he's not into guys and what we did meant nothing. He's lying. Because it happened again, and again, and again. And it's better every time. I know we could be good together, and I want the chance to try, but I'm done hiding. If he's not strong enough to admit the truth, I'll have to be strong enough to walk away.
