The Collected Works of Milton H. Erickson. The Collected Works series represents a major and ongoing commitment to gather and assemble the wealth of material created by Dr. Erickson during five decades of work. Beyond preserving this great pioneer's legacy, the purpose of the series is to make his knowledge, insight, techniques, and discoveries accessible to students, researchers, clinicians and educators in the behavioral and health sciences, including neuroscience.

H. P. Lovecraft Complete Collection is a real mixed bag. Stories like The Shadow over Innsmouth, The Dunwich Horror and The Music of Erich Zann are classics that, while a little wordy, still stand up today. However, these great tales are spread thin in the weight 1000 odd page tome that contains a lot of baffling non-

stories.
