The Leavers by Lisa Ko is utterly exquisite. This book about two different people's struggle between doing what is right, what people want and expect them to do, and what they want to do, is tremendously moving and powerful. As the title suggests, it's both a story of those who leave and the effect on those who are left. Deming Guo is 11 years old.

In Winter in Paradise (2018), Hilderbrand introduced Midwestern magazine editor Irene Steele and her adult sons, Baker and Cash, then swept them off to the island of St. John after paterfamilias Russell Steele was killed in a helicopter crash with his secret mistress, leaving a preteen love child and a spectacular villa. While the first volume left a lot up in the air about Russell's dubious business dealings and the manner of his death, this installment fills in many of the blanks.
