### U S A Secret Code

The military uses secret codes to relay messages, like battle plans and troop movements, so the enemy cannot understand them. Sandoval, now age 94, was one of more than 400 Navajos who served as code talkers during World War II. They used their native language to create a secret code. The code helped the U.S. and its allies win the war.

### A Secret Code - Scholastic

In 1942, a group of 29 Navajo in the U.S. Marines solved the problem. They created a new secret code based on their native language—and became known as code talkers. Very few non-Navajos understood the language. That made the Navajo code tough to crack. The code talkers memorized the code before going into battle.
